

Report on Womennovator 10K Fellowship Program

Date: 17 August 2026

Venue: Janki Devi Memorial College, New Delhi

Time: 11:00 AM – 2:00 PM

Collaborators: Womennovator, Janki Devi Vocational Centre (JDVC), Centre for Skill Enhancement (CSE), and IMPRENEURS – The Entrepreneurship Cell, Janki Devi Memorial College

Janki Devi Memorial College, in collaboration with **Womennovator, Janki Devi Vocational Centre (JDVC), Centre for Skill Enhancement (CSE), and IMPRENEURS – The Entrepreneurship Cell**, organized the **Womennovator 10K Fellowship Program** on 17 August 2026. The programme was designed to provide a platform for aspiring entrepreneurs, students, and young professionals to engage with industry experts, mentors, and entrepreneurs, thereby fostering innovation, entrepreneurial thinking, leadership, and collaboration.

The event was attended by more than 300 students from Janki Devi Memorial College and Janki Devi Vocational Centre, whose enthusiastic participation contributed significantly to the successful conduct of the programme.

The programme commenced with the **Inaugural Ceremony and Ceremonial Lamp Lighting**, followed by the welcome and felicitation of the distinguished guests. The gathering was addressed by **Prof. Swati Pal, Principal, Janki Devi Memorial College**, and **Ms. Madhuri Verma, Director, Janki Devi Vocational Centre**, who welcomed the participants and highlighted the significance of such collaborative initiatives in promoting skill development and entrepreneurship.

An introduction to **Womennovator and the 10K Fellowship Program** was delivered by **Mr. Bipul Kumar, Director – Partnerships & Growth, Womennovator**. This was followed by the Founder's Address by **CA Tripti Shinghal Somani, Founder, Womennovator**, who shared her perspectives on innovation, collaboration, and next-generation leadership.

The programme further included expert sessions on contemporary and relevant themes such as **Corporate Governance & ESG** and **MSME**, delivered by distinguished professionals. These sessions provided participants with valuable insights into the evolving entrepreneurial ecosystem and institutional support available for businesses and start-ups.

A major highlight of the programme was the panel discussion on the theme “**From Idea to Enterprise: Building & Branding Business with Government Schemes.**” The discussion brought together experts and professionals from the fields of entrepreneurship, finance, investment, start-up development, and government initiatives. The session provided valuable perspectives on transforming innovative ideas into sustainable enterprises and leveraging available institutional and government support.

An **Interactive Question and Answer Session** enabled participants to engage directly with the speakers and seek practical guidance on entrepreneurship, business development, and related opportunities.

The programme concluded with a **Speed Mentoring Session**, which provided participants with an opportunity to interact with experienced mentors and entrepreneurs. The session facilitated meaningful exchanges and offered practical insights into professional growth, entrepreneurship, and leadership.

The event concluded with a **Vote of Thanks**, followed by lunch at Janki Devi Vocational Centre.

Outcome of the Programme

The Womeninnovator 10K Fellowship Program provided a meaningful platform for students and aspiring entrepreneurs to interact with industry experts, mentors, and professionals. The programme contributed towards:

- Promoting entrepreneurial awareness and innovation among participants.
- Providing exposure to government schemes and institutional support available for entrepreneurs.
- Facilitating interaction with industry experts, investors, and successful entrepreneurs.
- Encouraging networking, collaboration, and mentorship.
- Developing awareness regarding leadership, business development, and enterprise creation.
- Providing practical guidance through interactive discussions and mentoring sessions.
- Strengthening collaboration between academic institutions, skill development centres, entrepreneurship cells, and industry stakeholders.

Overall, the programme was a significant collaborative initiative towards strengthening the entrepreneurial ecosystem and promoting **skill development, innovation, entrepreneurship, leadership, and mentorship** among the participants.
