Report on Add on course

The Department of Sociology, JDMC signed an MOU with the NGO TARSHI (Talking About Reproductive and Sexual Health Issues) to conduct a 30 hour online Add-on Course on Understanding Sexuality.

The course was a paid course and was spread across 3 months (February to April 2024)

The course was attended by 33 students from JDMC and outside as well, 24 from JDMC and 9 from outside the college. The resource persons were all from TARSHI

The 30 hours programme will cover the following:

A: Affirming spaces to foster dialogues and discussions through online sessions (10 hours)

B: Basics and beyond: a foundational e-course on gender, sexuality and SRHR (14 hours)

C: Call to Action through social action projects

These sessions entail interactive discussions among learners, featuring elements such as breakout sessions, group work, short films and case studies to enhance the learning experience. We aim to ensure that all discussions are confidential, and we will work with the students to provide a safe space for learning.

Session Topic Duration

Orientation Session: 2 hrs

What does Sexuality mean to us? :2 hrs

Reading Workshop: Discussion on gender and sexuality through selected *In Plainspeak* articles: 2 hrs

Understanding Sexual and Reproductive Health and Rights: 2 hrs

Reflecting on learnings from the journey: 2 hrs

Social Action Practical assignment (6 hours):

During the course, each student has to do a Social Action Project (SAP) which contributes towards awareness building and resource creation to demystify and debunk myths around sexuality to facilitate creating Safe, Inclusive and Self-Affirming (SISA) spaces in different spheres of life.

The participants found the sessions informative and engaging. Given the nature of the topic some students did not actively participate verbally.

To address this the resource persons encouraged them to express their thoughts in writing, making them feel more comfortable and open to anonymously sharing views, concerns, and questions.

The course concluded successfully on April 19, 2024 with an online certificate distribution and feedback discussion.

15. Gender Sensitisation Workshop

The third session of the Gender Sensitisation Workshop was held on 30 October 2023 and was conducted by Ms. Shubhika. Before the session began, there was an investiture ceremony wherein the union members for the year received their badges and demonstrated their commitment towards creating awareness for various gender issues. For this session, the speaker conducted various interactive activities which helped the participants understand the various expectations placed on women within a patriarchal society. Ms. Shubhika then discussed how these expectations further the gender discrimination that exists within society. These sessions were highly beneficial for the students as they were introduced to the various gender issues that still affect society. Furthermore, these sessions also gave students a platform to express their opinions and experiences of gender issues and gender discrimination. The interactive and activity filled sessions kept the students engaged and they were able to learn a lot from these sessions.
