

Samarth – The Enabling Unit

Samarth the enabling unit of JDMC, began the academic session with activities aimed at empowering students with disabilities across JDMC. The students participated in events organized by the unit, as well as by different societies of the college and JDVC. Below is an overview of the various activities:

Extension Activities:

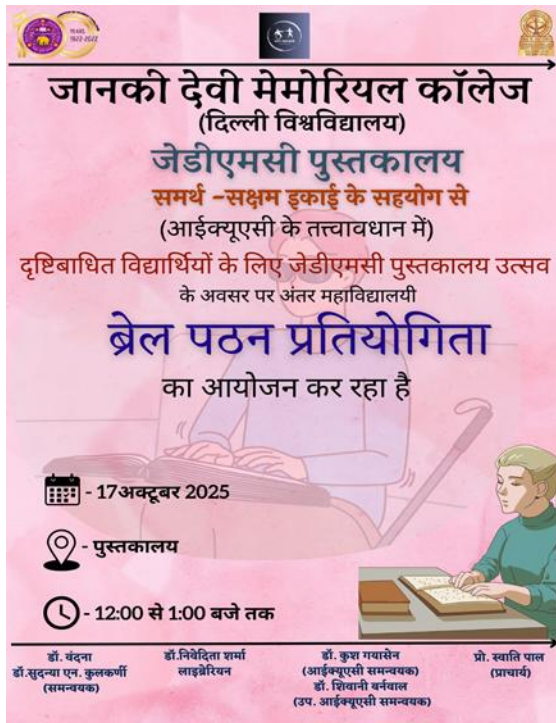

Women in Data and Women in AI Programme: For the past three years, the Unit has continued its collaboration with DELL Technologies, empowering women in Data Analytics through the Learning Links Foundation, the CSR unit of DELL Technologies. The programme has successfully trained over a thousand students, including both regular and NCWEB students. The initiative provides students with a certificate from DELL Technologies, free access to online courses, and career opportunities. Training for NCWEB/Regular students is currently in progress.

 Learning Links Foundation <i>In collaboration with</i> Janki Devi Memorial College is organizing Workshop on Employability and Sustainability Link to register: https://docs.google.com/forms/d/e/1FAIpQLScHkqezXSf2ZGyZy_mazQz2CfpW1X42E3D-N_mY163zdxjj0ZQ/viewform?usp=sf_link	 Opportunities ❑ To learn Sustainability course, which will help to spread information about sustainable industries and green jobs ❑ To learn Entrepreneurship course, which will help to spread information about Entrepreneurial leadership and business acumen. ❑ To learn Employability course, which will help to develop skills, one need to apply for jobs and how to survive in professionally.
---	---

Mobility Training Workshop – 14–16 October 2024: The unit organized a three-day mobility-training workshop in collaboration with Saksham. Students learnt the use of the white cane, prepared assignments with modern software, and became more self-reliant. Trainers also introduced students to the latest gadgets.

White Cane Day – 14 October 2024: This day commemorates photographer James Briggs' invention of the white cane, designed to help visually impaired individuals travel independently and alert them to obstacles in their path.

Braille Reading Competition – 20 September 2024 / Anubhuti – Street Play Society – 4 May 2024: Students participated in the Annual Day street play competition, promoting inclusivity and boosting student confidence.
