

ENABLING UNIT: Enabling Students with Disability

Convenors: Dr. Sudnya N Kulkarni and Mrs. Nivedita Sharma

Co-Convenor: Mrs. Mamta Chaudhary

The Enabling Unit, Janki Devi Memorial College, strive to empower our Students with Disabilities.

We began the academic session by organising a workshop on career opportunities in collaboration with **Score Foundation** for our students on August 9, 2018. The workshop was conducted by Ms. Binni Kumari Operations Manager, Help Desk.

This year to the cell organized **computer classes** from September-November 2018 to acquaint them with the knowledge of Basic, MS Word and Learning the placing of the keys on the keyboard.

The Unit collaborated with Help the Blind Foundation and all **16 students were given a scholarship of 10,000/- each.**

Further three students- Rani Rajbhar, Deepa Chaurasiya and Sushama Kumari were given MacBook Pro by CONCOR foundation at an event organized by the School of International Studies (JNU) under its Human Rights and Disability Studies Programme on December 12, 2018.

The Unit organized a **Solo Singing and Instrumental Music Competition** during Symphony- our Annual Fest 2019.

The Unit will be conducting computer classes in collaboration with Saksham in the present semester on MS Word, PPT and Excel.

As has been the practice since the inception of the Unit our students are provided meals on a daily basis throughout the academic session.

The Unit is constantly working towards empowering them.
