

Mission statement of the ADD-ON Course/ Certificate Course

The objective is to introduce career and market-oriented, skill enhancing add-on courses that have utility for job, self-employment and empowerment of the students. After completing the graduations, the students will be equipped with a Certificate/Diploma/Advanced diploma in an add-on orientation course along with a conventional degree in Science/Arts/Commerce.

SHORT TERM GOAL

- The objective is to support the students in developing soft skills
- Develop Communication ability to face the rigors of competitive tests
- Generate employability through ADD-ON/ Certificate courses

LONG TERM GOAL

- Delivery of a new subject matter which is applied in nature.
- Practical training to students in institutions.
- Promoting skill development among students
- Entrepreneurship development.

Eligibility & Requirements for Add-On Certificate Courses:

1. The minimum qualification is passing a 10+2 examination. Students from outside (girls and boys) may also apply. Admissions may be subject to screening. Students from other colleges / institutes and universities can also apply. International students also welcome.
2. Preference will be given to the students of Janki Devi Memorial College.
3. Students should contact the course coordinators and contact persons for the details of the course
4. Fees may differ from course to course depending on the logistics and other requirements of each course.
