Learning Outcomes of the course:

The objective is to strengthen the Sanskrit language of the students. Make them acquainted with the basic Sanskrit grammar and improve word power. After completing one module, the course will have intervened and started with the new topic for three days. After the course, the learners will be acquainted with the topics and use them in speaking the Sanskrit language.

Short Description – Department of Sanskrit, Janki Devi Memorial College (Under the Aegis of JDMC- IQAC Centre for Career Counselling, Career Opportunities, and Skill Enhancement) in collaboration with Sanskrit-Bharti,

Delhi is organizing an Add-on course on “Vadatu Saṃskṛtam” (Speak in Sanskrit). The course will teach the learners how to use the listed topics of Sanskrit grammar in speaking the Sanskrit Language. The system consists of five modules, and the experts will talk about all the issues by presenting several examples.

Course Module

First Module (Six Hours)- विभक्ति (Vibhkti)- Under the section, the expert will explain seven nominal inflections (*Vibhkti*) in the Sanskrit grammar in the conversant Sanskrit language. The teacher will speak several sentences using the seven *Vibhktis* and encourage the Participants to repeat the sentences and work on them.

Second Module (Six Hours)- लकार (Lakāra) - During the Lakāra session teacher will use the Sanskrit tenses and moods. The teacher will use the Lakāras in the Sanskrit sentences and encourage the learners to repeat the sentences. The teacher will provide several visual examples through PPTs.

Third Module (Six Hours)- प्रत्यय (Pratyaya)- The teacher will use the Pratyaya or affixes in the introductory Sanskrit grammar in the Module. The teacher will speak the sentences and ask the learners to use the Pratyayas. They will give several visual examples.

Fourth Module (Six Hours)- विशेष्य विशेषण (Viśeṣya-Viśeṣaṇa) - Under the section, the expert will tell the differences between *the qualifier and qualified* (Viśeṣya-Viśeṣaṇa). The teacher will give several Sanskrit sentences to use ViśeṣyaViśeṣaṇa in those sentences. The teacher will ask the learners to repeat and create Sanskrit sentences.

Fifth Module (Six Hours) - विच्य परितर्तन (Vāchya-Parivartana) - Under the section, the three types of vāchya -karṭra karma bhāve, will be used in Sanskrit speaking. By using Sanskrit examples, the learner will clearly understand how to talk in Sanskrit using the different Vāchya.

Evaluation Method:

Minimum 80% attendance in the course
Self-assessment tests were at the end of the course

Expert teachers, Mr. Jay Dev Veer, Dr. Tanuja Rawal, and Dr. Shaminaj Khan explained the module to the participants. The trainers taught the participants how to use the concepts by giving several examples. It strengthens the student's linguistics points in various ways. The participants have taken an online exam. It was an entire successful course.
