

Employability Skill Training in Digital Literacy

ICT Academy in association with Janki Devi Memorial College has implemented an “Employability Skill Training in Digital Literacy” being the CSR initiative of Reliance Home Finance & Reliance Money. The Certificate Course in Digital Literacy was conducted in Virtual mode for 40 Hours for 38 final year students during the period: 26 July 2021 to 05 August, 2021. Following Modules were covered under the training programme: *Introduction to Computers Parts & Accessories, MS Office. Email & Internet and Computer Applications.*

The training program was intensively practical oriented which has helped in up-skilling of the students, making them employable and industry ready. Students have highly appropriated the training program. Mr. Vikas Jorwal, Department of Mathematics, Janki Devi Memorial College, was the Course- coordinator for this training programme.
