Gender Sensitisation Action Plan
2017-2018

- The Centre aims to create an awareness amongst the students about the myriad issues related to the field of gender studies through a series of activities and research projects.
- Experts in different fields will be invited to address the students so that they can gain a more nuanced understanding of the issues related to gender.
- Seminars will be held over the course of the year related to various relevant topics related to gender so as to ensure that students can get a more comprehensive understanding of gender studies.
- Various competitions will be held so that students can get a space to express their thoughts and opinions on issues related to gender.
- The Centre will hold various activities to commemorate significant national and international days related to the field of gender studies.
