Gender Sensitisation Action Plan
2018-2019

- The Centre intends to create a comprehensive and complete understanding of various aspects of gender studies in the students through the organisation of multiple events and competitions.
- Collaborations will be pursued with various organisations working on gender related concerns so as to give students an opportunity to learn more about the issues related to gender.
- The Centre will invite various experts in different fields of gender studies to address the students and broaden their horizons.
- Seminars will be conducted on various relevant aspects of gender studies so as to create an awareness amongst students.
- The Centre will invite women achievers and entrepreneurs to interact with the students and inspire them to achieve their goals.
- Important national and international days related to gender will be commemorated through various activities.
