Gender Sensitisation Action Plan
2019-2020

- The Centre will conduct various activities throughout the year to sensitise students about various issues related to the field of gender studies.
- The Centre will collaborate with various organisations who work in gender related fields so that the students will have an opportunity to get a more nuanced understanding of the issues pertaining to gender.
- Distinguished speakers and activists working in the fields of gender and gender studies will be invited to address and educate the students about relevant issues. Women achievers and entrepreneurs will also be invited so as to interact with the students as well as inspire them.
- The Centre proposes to hold an Add-On Course on Gender Sensitisation to create an awareness amongst the youth.
- Students will be encouraged to pursue internships with various organisations working on gender related issues so that they can gain a better understanding of various aspects of gender and related concerns.
- Workshops and Seminars will be conducted by the Centre on various relevant topics related to gender studies.
- Multiple competitions will be held throughout the year to give students a space to express their talents and simultaneously create an awareness about various issues.
- The Centre will commemorate significant days related to gender through a series of activities.
