Centre for Gender Equity Studies
Gender Sensitisation Action Plan
2021-2022

- The Centre aims to sensitise students about various issues related to gender and gender inclusivity through different activities.
- The Centre will conduct an Add On course in collaboration with different national and state-run NGOs to create awareness amongst the youth about various issues related to gender.
- The Centre will attempt to create a space for students to express themselves through discussion forums on various relevant topics.
- Through various competitions, both intra-college and inter-college, the Centre aims to create an avenue for students to express their talents in different fields.
- The Centre will hold various events to commemorate significant days related to gender such as Pride Month, International Women's Day, World Girl Child Day, etc.
- The Centre will organise lectures and seminars given by experts in different fields related to gender studies so as to make students more aware about various relevant gender issues.
- The Centre will attempt to collaborate with various organisations working on gender related areas so as to provide students an opportunity to join internships which will allow them to gain a more comprehensive and complete understanding of gender issues.
- The Centre will encourage students to undertake research projects related to gender studies so that students can further understand various aspects related to gender studies.
