Report on “Beyond Words: The Art and Science of Communication”:

Name of the event	Seminar on “Beyond Words: The Art and Science of Communication”
Name of the organizers	Career Opportunity Cell
Type of event	Offline
Date of event	21st August 2026
Objective of event	To help students develop effective communication skills by enhancing their clarity, confidence, active listening, empathy and understanding of verbal and non-verbal communication.
Name and Affiliation of the Resource Person for the Event	Ms. Deepika Malhotra

The Career Opportunity Cell of Janki Devi Memorial College, University of Delhi, under the aegis of IQAC, successfully organised an insightful session, “Beyond Words: The Art and Science of Communication,” in collaboration with Ms. Deepika Malhotra with the Participation of 53 students, the session was designed to empower students with the confidence and skills to communicate with clarity, empathy and impact. It aimed to help students recognise the power of effective communication in shaping meaningful relationships, strengthening teamwork and creating a lasting impression in the professional world.

Session Highlights

The session explored communication as both an art and a science, highlighting creativity, empathy, personalisation and the key elements of the communication process. Students gained insights into the importance of tone, body language, facial expressions, active listening and empathy in creating meaningful connections. Through interactive introductions, group activities, discussions and practical examples, the session emphasised clarity, teamwork, trust-building and mutual understanding. It also covered various forms of workplace communication, including internal, external, upward, downward and lateral communication, enabling students to understand how effective communication contributes to stronger relationships, professional growth and career success.

Report on Webinar on "From Campus to Corporate: Essential Skills for Placement Success." :

Name of the event	Webinar on "From Campus to Corporate: Essential Skills for Placement Success."
Name of the organizers	Career Opportunity Cell
Type of event	Online
Date of event	12th August, 2026.
Objective of Event	To help students understand the recruiter's perspective, learn how to respond effectively during interviews, and develop the confidence and skills required to successfully navigate the placement process.
Name and Affiliation of the Resource	Dr. Jitendra Singh Rathore

Person for the Event	
-----------------------------	--

The Career Opportunity Cell of Janki Devi Memorial College, University of Delhi, under the aegis of IQAC, successfully organized an exclusive Placement Readiness Session on “From Campus to Corporate: Essential Skills for Placement Success” on 12 August 2026 in collaboration with Faculty of Management Studies, Banasthali Vidyapeeth. The session was conducted online and focused on equipping students with the essential skills required to successfully transition from campus life to the corporate world.

A total of 40 students participated in the session. The session was led by Dr. Jitendra Singh Rathore, Associate Professor at Banasthali Vidyapeeth, who brings over 21 years of experience, including 5 years in the BFSI industry and 16+ years in academics. He has worked with organisations such as Bajaj Allianz, Kotak Securities and SBI Cards and teaches Marketing Management, Sales & Distribution Management and International Marketing.

Session Highlights

The session was interactive and practical, focusing on the skills most valued by recruiters and the expectations of the corporate world. Students gained insights into the importance of communication, confidence, adaptability, teamwork and continuous upskilling in building a successful career. The session also introduced students to the EAMPPACT framework, highlighting the importance of a manager’s attitude and understanding how our own behaviour and actions can influence their perception and response towards us in the workplace.

The interactive Q&A session provided them with an opportunity to clarify their doubts and seek personalised guidance regarding placements, interviews, career preparation and professional development.

Overall, the session helped students gain a clearer understanding of what it means to be job-ready and encouraged them to focus on continuous learning and skill development. It provided valuable guidance to the participants and helped them become more confident, prepared, and aware of the skills required for future career opportunities.

Report on Mahindra Pride Classroom: Employability Skills Training:

Name of the event	Mahindra Pride Classroom – Employability Skills Training
Name of the organizers	Career Opportunity Cell in collaboration with Naandi Foundation
Type of event	Offline
Date of event	3rd - 10th August 2026
Objective of Event	To help students build confidence and develop the skills they need for communication, interviews, the workplace, and everyday life, making them better prepared for jobs and future career opportunities.
Name and Affiliation of the Resource	Anmol Poddar, Megha Gupta and Rupali Das

Person for the Event	
-----------------------------	--

The Career Opportunity Cell of Janki Devi Memorial College, University of Delhi, in collaboration with Naandi Foundation, successfully organized the Mahindra Pride Classroom – Employability Skills Training from 3rd to 10th August 2026. The program, a flagship CSR initiative of the Mahindra & Mahindra Group, focused on developing students' confidence, communication and professional skills.

A total of 100 students participated in the 7 day training program, which was divided into three batches to ensure effective and interactive learning. The training was conducted by experienced trainers Megha Gupta, Rupali Das and Anmol Poddar, who guided the students through various practical and engaging sessions. The program focused on developing communication, confidence, teamwork, interview and professional skills, helping students become better prepared for future career opportunities.

Session Highlights

The sessions were interactive and practical, focusing on self-awareness, grooming, communication, confidence building, goal setting, time management, career opportunities, money management and digital identity. Interview preparation, critical thinking activities, group discussions and teamwork helped students strengthen their communication, problem-solving, coordination and negotiation skills. Students also learned about conflict management, professional behaviour, responsibility, respect and workplace ethics. Certificates were awarded to all participants. Overall, the training enhanced students confidence, skills and career readiness.
